GET CONNECTED TO LIFE'S BEST!

Welcome to Signature Global CITY 79B. Set amidst the Aravallis and surrounded by vast acres of verdant forest, it builds an urban niche into the heart of nature; away from the hustle and bustle of the city. An apartment complex that is an experience unlike any other. Something that is steeped in modern design yet very much rooted in nature. Stands to reason, it creates an exclusive ambience that echoes with ageless folklore of the Aravallis, yet very much contemporary in its approach to living and amenities. Sonali Bhagwati

"There are no shortcuts to hard work." That is the motto of Sonali Bhagwati, an eminent architect and interior designer for the last 30 years. An alumnus of the prestigious institute CEPT, Ahmedabad, she is the recipient of a scholarship from L'institute Francais D'architecture to train in Paris under architect Bernard Kohn.

Bhagwati's sources of inspiration and role models are her parents. The former chief justice of India and Padma Vibhushan winner, her father had always shown her the path to excellence through hard work and intellect. Her mother has inculcated the admirable qualities of focus, dedication and a positive attitude. Mr. B.V. Doshi, the Pritzker prize winner, has always been her mentor and guide in her architectural journey.

Her philosophy resonates with that of Signature Global. She is associated with Signature Global for interior styling to give you vibrant homes, providing a socially relevant environment. Her designs are visualized with a deep understanding of client needs and aspirations. She and her team specialise in analysing and capturing the ever-changing socio-economic trends of the market that impact architecture and the built environment. A testimony to this fact is her design for space modules, which aptly address the paradigm shift in workplace concepts.
